### Chapter 1 by Neolillz

Jay-Jay yawned. It's been an hour of boring. He died in his game half an hour ago. When the players are terrible and the map is over-complicated it doesn't make for a good time. The map is so complicated that most of the noobs participating in the online game cant make their way out of the first room. He rolled his eyes at another player and dumped his controller onto the coffee table. He sighed.

*Why does everyone on this server have to be so STUPID!* He thought to himself. Then he heard a beep.

"PIAYeR 2 jOInEd" The Xbox said.

Jay-Jay looked at the screen and saw bright letters appear on the screen.

### Hello Jay.Jay\_12

"Ehh?" Jay-Jay Sat up and looked closely at the screen.

I have noticed that most of the players on this server are completely terrible... there is only one that is worth playing with

You...

"Hell yea!" Jay-Jay cried out. Even this freaky anonymous guy agreed that he was an epic player.

**So... I challenge you to a one on one fight... Just us two...**

"Oh... um..." Jay-Jay sighed and cocked his head to the side.

*Who is this person?*

~~~~~

A boy sat in a room. He had a game controller in one hand and a bar of chocolate in the other. He had admin settings on the screen and used the controller to type onto the screen. He typed.

**So you up for the challenge?**

He sat back and waited for the player known as Jay.Jay\_12 to reply. Looking at a video CCTV camera that had an image of Jay-Jay on it he waited for the other boys reply.

"Okay, why not..." He heard Jay-Jay sigh.

The boy sat up and typed again:

**Let's begin...**

He took a bite of his chocolate and smiled at Jay-Jay's surprised expression. He transported his character and Jay-Jay's character to another private map. He heard Jay-Jay gasp.

"pResS StArt PLAYeR 2" The game said.

The boy pressed start.

"Let the games begin!" He said cheerily.

*Oh what a surprise he's in for!*
